

Shenington with Alkerton Coronavirus Emergency Response

Communication Of Information

Any vital information will be sent out on the village email service and we strongly encourage you to sign up for this if you have not done so already. The email address to sign up is **emails@sheningtongreen.com**

Information will also be added to the village website: **<https://www.sheningtonwithalkerton.co.uk/>** including local food stores, take away services and other local services.

If you **do not** have an email address or don't wish to sign up for the email service please let your coordinator know and I will ensure that you receive any information via a leaflet through the door.

Back Up Support

If you are already checking on a neighbour and are not available for any reason please let your coordinator know and they can provide this support.

Traffic Light System

As an additional safety net we have introduced a traffic light system for those who are in self isolation and cards will be distributed shortly. If you need assistance please place the red card in your window. If all is okay please place the green one in your window. **Please let me know if you would like the cards.**

Prescriptions

Please email or telephone me or Gill Smith if you have a prescription to be collected. The surgery needs to know who will be collecting your prescription and we will advise you of this so that you can let the surgery know the name of the volunteer. Please note we have been advised that repeat prescriptions are taking four days to fulfil.

Tysoe Stores

Tysoe Stores will deliver your order to you and has requested that orders are emailed through wherever possible. Please include your details including your telephone number and the store will call back and confirm the order, suggest substitutions and take payment over the telephone. If a debit or credit card payment is not possible they will take a cheque. If an email order is not possible they will take a telephone order on 01295 688284. If there is no answer call 01295 688333 and leave a message.

The email address for orders is: mytysoeshop@gmail.com Please email by 2pm to give them the best possible chance of picking and packing the order for collection the same day although often orders are taking one to three days. You can ask someone else to email the order on your behalf.

For prescription requests and other Coronavirus related enquiries please contact:
